AMENDED ARTICLES

Of Incorporation Filed With County Clerk J. J. Owens Yesterday of the Farmers and Planters Warehouse Co.

Amended articles of incorporation of the Farmers and Planters Warehouse Co. were filed with County Clerk J. J. Owens yesterday and will be sent to the Secretary of State at Frankfort for approval.

The amendments are to articles 4 and 7 of the articles of incorporation and are merely a change in the capital stock and in the number of the board of directors. The capital stock of the company raised from \$50,000 to \$125,000, the number of shares being raised from 5000 to 12,500 at \$10 per share. Regarding the board of directors ten article 4 the change is made from fifteen directors to not less than five nor more than nine members. This is the substance of the amended articles.

This company is preparing to do a great business this year, in fact, greater than ever before. Indications point to the fact that the tobacco crop this year will be one of the largest ever. This company has shown the farmers in the past that they can get a square deal and have always made friends of those selling their tobacco there.

The company is extremely fortunate this year in securing the services of Mr. Arthur Power of Louisville for sales manager. Mr. Power has been in this city before and all who know him pronounce him to be a gentleman of the first quality. He will be present to see that the farmers get the highest prices possible for their tobacco. The outlook for this year is indeed rosy.

Mr. Holton Key, a prominent insurance and real estate man of this city, has been elected as assistant sales manager to Mr. Power. Mr. Key is known to almost every Mason County. His presence with the company will be an added incentive to its business for Mr. Key is an experienced tobacco man and knows the business thoroughly.

CHURCH NOTICE

Christian Science Sunday 10:45 G. A. R. Hall, Cox Building. 22-21

A FORMER RESIDENT

Now Here on a Visit to Remain for the Soldiers' Reunion Next Week.

Col. Alonzo Seaman of Norman, Oklahoma, who is here on a visit to relatives and will stay until after the reunion of Sixteenth and Fourth Regiments Association next week, attended the National Encampment of the Grand Army of the Republic at Kansas City this month, and in his daily record he noted the meeting of several Kentuckians there, two of his old comrades from the Sixteenth Kentucky being among them. Mr. Seaman, although 71 years old, marched in the parade with 14,999 other veterans, and says he was not the least fatigued over the long tramp.

Up to thirty-nine years ago he and his most estimable family were residents of this city, occupying what was then the Mike Dillon property at Third and Casto streets, and he is receiving a most hearty welcome from his old friends who were here when he left. He noted the many splendid improvements in his old home town since his departure and says, like all others who have left here, that he would rather be a resident of Maysville than any other place on earth.

Mr. Seaman will remain until after the reunion, when he will visit his son, William, at Latona before returning to his home in Oklahoma.

BEGIN TODAY

On the Maysville Picture, "The Romance of Miss Maysville"—Cast of Characters Chosen and all Will Go on Merrily—Will Be Shown in the Washington Theater.

Work was begun this morning by Mr. Clem Kerr, the representative of the Parfait Cinemograph Co., of Dayton, Ohio, for the picture, "The Romance of Miss Maysville," which will be taken entirely on the streets and in the homes of this city.

"The Romance of Miss Maysville" is an idea of the Chamber of Commerce and they will have a big hand in the filming of the picture. The picture will be an advertisement for the city, showing its factories, new streets, homes, etc. Together with this will be a pretty romance running through the picture. In one scene the fire department will make a run. Another will be taken at the postoffice. The following is the cast of characters for the production:

Miss Maysville... Miss Nannie Teager Sweetheart... Mr. John Dudley Keith Miss Maysville's Chum... Miss Mary Parker Dr. Greater Maysville... Mr. A. M. January Maid... Miss Thelma Peddicord Minister... Dr. P. G. Smoot Father... Several minor characters.

The story is exceedingly simple. Miss Maysville meets a young man on the streets and falls in love with him. Her father refuses to allow him to come to their home and later the couple elope. This in substance is the plot of the story but it is brought out in such a way to make it very interesting to the audience.

The filming of the picture will take only a few days and Mr. Kerr says that he expects to have the picture ready to be shown by the first of October. It will be shown in the Washington Opera House for three nights and indications are that large crowds will be present at all of the performances.

TO THE FARMERS OF MASON COUNTY

Mr. E. Frank Boyd is in receipt of a communication from the Federal Farm Loan Board of Kentucky having charge of the Administration of the Rural Credit Law, stating that a public hearing will be held in the Federal Building, Louisville, Ky., at 10 o'clock a. m. Tuesday, September 26th, to which representatives from all the counties of the state are urged to attend, that they may understand the plan upon which this Board will work. The Rural Credits system is a very important thing for the farmers of this state and this meeting should be attended by many of its wide-awake progressive farmers. To this end the following call is issued:

A meeting of the farmers of Mason county will be held at Squire Bauer's office in the Court House, Maysville, Ky., Saturday afternoon at 2 o'clock, September 23, to select representatives to attend the public hearing of the Federal Farm Loan Board to be held in the Federal Building Louisville, Ky., at 10 o'clock a. m. Tuesday, September 26. All farmers in the county are asked to attend.

E. FRANK BOYD.

BASEBALL SUNDAY

The Maysville Regulars will tackle the Climax Club Sunday in the first game of a series of three for the amateur baseball championship of this city. As for the Regulars everyone knows is one of the best amateur teams in this section and the Climax have already shown in their recent games that they will be a strong contender for the championship. Their strong club has already attracted the attention of the baseball fans of this city. Be sure and come out to the League Park Sunday. The game starts at 3 o'clock sharp. The batteries for the Regulars will be Frost and Dice; for the Climax, Feltus and Lundrigan.

WHOSE IS IT?

County Judge W. H. Rice has in his possession a fine umbrella, the owner of it he does not know. While working on Squire Farrow after his asphyxiation on September 9, some one handed him the umbrella which he unthinkingly carried with him. The handle is carved with some initials. The owner is asked to call at the Judge's office and get the article.

SEASON WILL SOON CLOSE

The season for working will soon close at the Lock and Dam No. 33 just above the city and the contractors are trying to get as many men as possible on the job. Work on the main cofferdam has about been completed. Two other cofferdams have been constructed and work is being carried on in them now.

WANT PREACHER BACK

The following is a clipping from the Germantown Item to the Bracken Chronicle this week:

Our people are vigorously opposing the transfer of Rev. A. F. Ruggles to the Maysville Methodist church, and a subscription paper has been circulating agreeing to purchase him a horse and buggy and give him cash—a total present of about \$250—and the president elder is being urged to let him remain here. Rev. Ruggles is deservedly popular with our people and all want him to stay.

Rev. Ruggles comes to Maysville well recommended and the fact that the Germantown people want him to return to that place shows his popularity.

FORMAL OPENING

In connection with the District Telephone Operators' Meeting, which will be held in Maysville, September 23rd, the Maysville Telephone Company cordially invites its patrons, and all others whom may be interested, to visit the new exchange in the First National Bank building between the hours of 10 to 12 a. m., and 2 to 5 p. m., to inspect the operation of the new switchboard and equipment.

MOUNTAIN GOOD THINGS

The hickory nut crop is a short one this year but not an entire failure. There are said to be plenty of paw-paws and some persimmons in the mountains. Also a fair crop of chestnuts in some places. There is a fair crop of apples but nothing like that of last year, and peaches are scarce and small generally.—Flemingsburg Times Democrat.

REV. HUNT DID NOT COME

Rev. S. K. Hunt, the new pastor of the Third Street M. E. Church, did not conduct the prayer meeting in that church as announced in yesterday's Ledger. He will arrive in this city sometime today according to a letter received by one of the members of the church. He will preach at both services Sunday.

MARRIED IN VANCEBURG

Mr. William Riggs, 48, of Mayslick and Miss Margaret F. Riley, 43, of Vanceburg were married at the latter's home last week.
